2nd Edition

# Signal Words

**Signal Words** are important words that tell you what you need to do on each journal page.

<b>Draw</b>	Draw a picture or a model.	
<b>Label</b>	Give a name to something you have drawn or written.	
<b>Write</b>	Write words or numbers.	
<b>Solve</b>	Find the solution or the answer.	
<b>Explain</b>	Put your thinking into complete sentences.	
<b>Measure</b>	Use a math measuring tool.	

**Write** an even number that is less than 20. **Draw** a picture that proves your number is even. **Explain** why your number is even.

**Write**

**Draw**

**Explain**
